## ♥ Relevant Announcements: ♥

- The Secret Fun Minecraft Server is back up and running, including mcMMO! We have many plugins that will simply make your life easier, and the owner of it all is me! Come and play with your friends, classmates, people from other schools!. You can play on any browser, so Chromebooks, Safari, Firefox, and more! To start, check out [The Complete Guide: Ericsson's Chromebook Minecraft](#), so that you can get started playing either single player or on my server!

## Disclosure and Tips:

- **While we appreciate you visiting this page, and hope you have fun playing these games, please keep in mind that doing school work and paying attention in your classes should be your top priority. We don't want Secret Fun to be the reason you are missing assignments, getting in trouble with your teachers, etc. We also must make it clear that we do not condone any sort of piracy and the editors of Secret Fun are not to be held responsible for anything pirated, that responsibility goes to the person that added them and is currently in control of them. We are not willing to mess around with pirated stuff. We also don't want to get busted by teachers. But have fun and enjoy!**

Use the “” symbol to the left to navigate around Secret Fun by section (click on it!). If you have favorite games, remember what letter it starts with and you can get to them easily. You can also use Ctrl + F to search for any words on here.

If this doc is ever grieved, just click on the “” button in the top right corner and select “ Viewing ” to only see approved changes.

## 💖 SUBMIT A GAME 💖

### Rules:

- Must be a sharable link
- No Piracy
- Nothing that is inappropriate
- No giving the same link multiple times
- Be professional or you just look stupid (we see all your responses)
- Say what the game is
- You will only get points if it isn't already on the doc
- **No using a proxy, website unblocker, or vpn to add games** so any links from these will not be used because they don't share and will not work (this will give you no points)
- Submitting any proxies (website unblockers)
- All points will be added and updated after the break
- **BREAKING RULES RESULTS IN NEGATIVE POINTS**

#### CHECK THIS OUT!

Do you want to know about some games that are being made for you? Do you like lore? Do you wanna know about lore in a student-made game?? Well look no further, we have the epic lore that you've been searching for. Introducing **Darkness Unfolds**, The game made by Brennan Barclay and Payton Meredith. Enough talking. Read this thing. [\[Darkness Unfolds Lore :\)\)](#)

A MASSIVE new chunk of lore has just been released...secretly..so see if you can find it!

P.S. there may be some notes between us on lore because it is an W.I.P. this is also written like a game wiki so that should make it easier to read

P.P.S Our server can be joined down below in servers, TOPHAT GAMES!!.

P.P.S.S. Here's a hint to find the secret: Light
